Professional Summary

Backend-focused Software Engineer with strong expertise in Java and Spring Boot, experienced in designing secure, scalable RESTful systems using JWT and OAuth2. Hands-on experience with PostgreSQL, MongoDB, Docker, and LangChain-powered AI systems. Passionate about clean architecture, real-time systems, and building production-ready backend services.

Technical Skills

Languages: Java, Python, JavaScript, C, C++

Backend: Spring Boot, Spring Security, Hibernate, JPA, OAuth2, JWT, FastAPI

Databases: PostgreSQL, MongoDB

DevOps & AI: Docker, LangChain, LLM APIs

Web: HTML, CSS, JavaScript, React (basic)

Tools: Git, Maven, Postman, IntelliJ IDEA, VS Code

Projects

Full-Stack E-Commerce Platform

Architected a full-stack B2C e-commerce platform with React frontend and Spring Boot REST API backend, following a clean layered architecture.

Tech: React, Spring Boot, PostgreSQL, Stripe, JWT, WebSockets

AI-Powered Research Paper Translator

Built an intelligent system to translate academic PDFs while preserving structure, equations, and technical meaning using LangChain-orchestrated LLM pipelines.

Tech: FastAPI, LangChain, Python, LLM APIs, PDF Processing, React

Real-Time Chat Application

Designed a scalable chat system supporting private and group messaging with WebSocket-based real-time delivery and JWT authentication.

Tech: Spring Boot, WebSockets, MongoDB, JavaScript

Hospital Appointment & Queue Management System

Developed a high-traffic backend system for online appointments and real-time queue management with role-based dashboards.

Tech: Spring Boot, REST APIs, JWT, PostgreSQL, MongoDB, WebSockets

Smart Complaint Management System

Secure role-based platform allowing users to submit complaints and admins to manage responses.

Tech: Spring Boot, JWT, PostgreSQL, JSP

Education

B.Sc. in Information and Communication Engineering

Pabna University of Science and Technology (Expected 2027)

Additional

Competitive Programming | Agile/Scrum | Backend System Design

Languages: English (Proficient), Bengali (Native)
